Salisbury District Council - General Community Fund

Salisbury District Council has made available for 2008/9 a new grant scheme that can be applied to for funds. The District Council recognises the benefit that the work of the voluntary and community sector brings to the local community and has identified the need to establish a general Community Fund to support local groups and organisations.

The total grant fund is £130,000 and the minimum grant award will be £5,000. There will be no maximum grant award and at least 10% of the project costs must be raised locally by the applicant.

A full criteria by which all applications will be assessed is available from the District Council and the submission should be made in writing of no more than 4 sides of A4 outlining the aims and outcomes of the project highlighting the benefit to the local community as well as the costs involved.

The deadline for application is 30th May 2008 with the award given in June 2008 and another deadline for applications 30th September 2008 with award given in November 2008.
